Halaman Data Mahasiswa

The screenshot shows a web application interface for managing student data. The browser address bar indicates the URL is `localhost:8080/universitas/mahasiswa`. The page has a blue header with a search bar and a user profile dropdown showing 'Hi, Ujang Maman'. The left sidebar contains the 'STISLA' logo, a 'DASHBOARD' section with a 'Data Mahasiswa' link, and a 'Documentation' button. The main content area is titled 'Data Mahasiswa' and includes a breadcrumb trail: 'Dashboard / Modules / Data Mahasiswa'. Below the title is a 'List Daftar Mahasiswa' section with a 'Tambah Mahasiswa' button. A table with 9 columns is visible: 'No', 'Foto', 'Nama Mahasiswa', 'NIM', 'No HP', 'Email', 'Jurusan', 'Alamat', and 'Aksi'. The footer of the page states 'Copyright © 2018 • Design By Muhamad Nauval Azhar'.

Halaman Tambah Data Mahasiswa

The screenshot shows the 'Tambah Data Mahasiswa' (Add Student Data) page. The browser address bar is the same as the previous page. The page layout is consistent with the first screenshot, but the main content area is titled 'Tambah Mahasiswa' and contains a form for adding new student data. The form fields are: 'Nama' (Name), 'NIM' (Student ID), 'No Hp' (Phone Number), 'Email', 'Jurusan' (Faculty), 'Foto Profile' (Profile Photo) with a 'Choose File' button and 'No file chosen' text, and 'Alamat' (Address). A 'Simpan' (Save) button is located at the bottom of the form. The footer of the page states 'Copyright © 2018 • Design By Muhamad Nauval Azhar'.
